

SINOTM.COM ("SINOTM") is deeply understand to your right to privacy and takes your privacy seriously.

This Privacy Policy governs the manner in which SINOTM collects, uses, maintains information collected from users of the website.

Personal identification information

We will collect personal information when you voluntarily provide it to us. For example, we collect personal information when you order, register for (or to use), or request information about SINOTM products or services, subscribe to marketing communications, request support, complete surveys, provide in product feedback, or sign up for a SINOTM event or webinar.

The personal information we collect may include contact information such as your name, address, telephone number or email address, user IDs and passwords, and contact preferences. It may also include professional information, such as your job title, department or job role, as well as the nature of your request or communication. We also collect information you choose to provide to us when completing any 'free text' boxes in our forms (for example, for event sign-up, product feedback or survey requests).

In addition, we may collect personal information disclosed by you on our message boards, chat features, blogs and our other services to which you are able to post information and materials. Any information that is disclosed in those forums becomes public information and may therefore appear in public ways, such as through search engines or other publicly available platforms, and may be "crawled" or searched by third parties. It could also be read, collected or used by other users to send you unsolicited messages. Please do not post any information that you do not want to reveal to the public at large.

Non-personal identification information

We may collect non-personal identification information about Users whenever they interact with our Site. Non-personal identification information may include the browser name, the type of computer and technical information about Users means of connection to our Site, such as the operating system and the Internet service providers utilized and other similar information.

Web browser cookies

Our Site may use "Cookies" to enhance User experience. Users' web browsers place cookies on hard drive for record-keeping purposes and sometimes to track information about them.

You can adjust your browser settings to receive a message every time a cookie is installed on

your computer or to prevent their installation altogether.

How we use collected information

SINOTM pledge to hold all information you provide to us in absolute privacy unless you authorize our trademark services, such as trademark registration, etc.

We will use your Provided Information in the ordinary course of SINOTM's business with or for you. Examples of SINOTM's ordinary course of business include, without limitation, responding to your inquiries; processing a request; providing you with access to the Services; or placing an order. SINOTM may also use your Provided Information to contact you about SINOTM's products and services, such as through promotional emails.

SINOTM will use your Technical Information for SINOTM's internal business purposes including, without limitation, to provide SINOTM with statistics on how the Services are used, to help SINOTM measure errors in the Services, to enhance the Services and for marketing purposes. Technical Information may also be used to improve your individual experience with the Services.

Security and confidentiality

SINOTM maintains (and requires its service providers to maintain) appropriate organizational and technical measures designed to protect the security and confidentiality of any personal information we process. For example, SINOTM employs physical access controls, encryption, Internet firewalls, intrusion detection and network monitoring depending The nature of the information and the scope of processing.

SINOTM staff who may have access to personal information are required to keep that information confidential.

External links

Our website and services may provide links to other websites through direct links or through applications such as "share" or "Like" buttons. Other websites may contain links to the SINOTM website or services.

SINOTM does not control those sites or their privacy practices, which may differ from SINOTM's Privacy Notice. We do not endorse or make any representations about third party websites. The personal information you choose to give to unrelated parties is not covered by this Privacy Notice. We encourage you to review the privacy notices found on such other websites, services, and applications to understand how your information may be collected and used.

Changes to this privacy policy

SINOTM reserves the right to revise this Privacy Policy or any part of it from time to time. We will provide notice (e.g., via email or our website) of material changes before any such changes take effect.

Please review the Privacy Policy periodically for changes.

Your acceptance of these terms

By using this Site, you signify your acceptance of this privacy policy. If you do not agree to this policy, please do not use our Site.

Your continued use of the Site following the posting of changes to this policy will be deemed your acceptance of those changes.
